### **Celebration of World Intellectual Property Day in Romania**

Dear Mr Mierlea,

Thank you for your letter of last week in which you inform me of the events that took place during the month of April to celebrate the World Intellectual Property Day in Romania. Please accept my most sincere congratulations for the success of the celebrations, and for the awarded diploma of excellence for innovation and creativity under the aegis of the World Intellectual Property Organization received for InfoCons' solution for consumers.

The Observatory highly appreciates the continuous cooperation we have built up in the framework of the Observatory stakeholder network and your involvement in activities of common interest.

We look forward to hearing about your future work to support consumers.

Yours sincerely

Alexandra Poch
